Experience

Freelancing / Founding @ J+ Studio

07/24 - present EU

Full-stack product designer and founder of J+ Studio, crafting UX/UI, design systems, and growth-focused digital experiences for startups and fast-moving teams.

Sr. Product Designer @ Kaufland ecom

2023-2023 Remote

Drove UX and launch of Kaufland's first national loyalty product "K-card", now active in every German store.

Sr. Product Designer @ Zalando

2022-2023 Berlin

Pioneered Adaptive Fashion, scaling inclusive design practices across Zalando's ecosystem. Set new UX standards and mentored a junior designer throughout process.

Sr. Product Designer @ Marley Spoon

2020-2022 Berlin

Launched 2 apps with a cross-functional team, leading "Rating" and "Favourites" design that drove 150% growth and 10-15% engagement, while mentoring 2 junior designers.

Product Designer @ Urban Sports Club

2019-2020 Berlin

As one of the 2-designer team, collaborated with a cross-functional team to redesign USC's website using Product-Led Growth, optimizing the free trial and checkout flow — resulting in a 19.4% GM increase across 8 European countries.

Earlier experience

UX Designer @ EF (2017–2018 Shanghai): Led UX research aligning digital tools with educator needs.

UX Consultant @ TD Reply (2016–2017 Beijing) : Contributed to Audi China's UI strategy through regional UX research and trend analysis.
